

It is with sadness that I inform members of the passing of Alan Anderson, husband of Helen on Saturday.

Alan was an active member of our club until he became unwell with Parkinson's Disease.

We send Helen and family our love and sympathy at this sad and difficult time.

Thanks are extended to those who helped with the end of season 'putting the green to bed' tasks. During the winter, swishing still needs to be undertaken so if you could offer help with this, please let John Mitchley know:

EASY FUNDRAISING

Please sign up to easyfundraising to support our club. It really is a very easy way to raise funds that can be used to improve equipment and more. For example, booking train tickets through Trainline earns money for the club if you go to the Trainline site via easyfundraising. We have 15 members signed up out of a membership of 98 so there is definitely scope for more.

EBF and EBA competition entry forms for the 2026 season have been emailed to all members. It would be good to see more members enter County competitions next season so if you fancy entering, complete the forms and return to Gareth by 31 October. Any queries, Gareth's your man!
